Trends für Herbst/Winter 2019/20
Welche Themen treiben das Geschäft voran – für Womenswear wie Menswear? Wie stark bleiben die Einflüsse von Gucci, Off-White, Balenciaga? Welche Farben bestimmen das Bild der Sortimente – und wie sieht die neue Dekoration aus? Vor allem aber: Was tut sich in puncto Silhouetten? Und welche Auswirkungen hat das auf die Schuhe zum Herbst/Winter 2019/20? Diese und viele weitere Fragen diskutieren die beiden TW-Redakteurinnen Gudrun Allstädt und Simone Reiner am ersten Messetag.

Autumn/Winter 2019/20 trends

Which fashion themes are driving business in womenswear and menswear? How strong are the influences of Gucci, Off-White and Balenciaga still? What are the collections' colour stories – and the decorative details? Most of all, though, how are silhouettes changing? And what are the impacts on shoes for the autumn/winter 2019/20 season? TW editors Gudrun Allstädt and Simone Reiner will be discussing these and other topics on the first day of the fair.

Please note that all lectures will be held in German language only. Exept for *
